  - Ideas on next page

Search how to delete unwanted apps; for sprint LG G8 it was this:

Single Package Uninstall:

```
pm uninstall -k --user 0 com.att.eptt
```

Multi-Package uninstall:

```
for pkg in \
com.att.eptt \
com.att.dh \
com.att.firstnet.grey \
com.sonim.gcmpush.att \
com.dti.att \
com.att.myWireless \
com.att.mobile.android.vvm; do
pm uninstall -k --user 0 $pkg
done
```
